From the Educational Committee:

On the union level of the EC we have been working on the report and evaluation of the Speak up Days surved performed last year. A final report should be available within a month.

On the faculty level the work of the union has lately been focused on course plans, which parts of the courses are compulsory and the grade criteria for VG.

From the JoL Committee:

3rd October 2016

A theme day for all union members together with MF and TLTH is held.

Will be guested by Navid Modiri!
