# 1 Union Central Positions

## 1.1 Elise Karlsson Faudot, Union Board

”Hi, I would like to counter candidate for a post at the union board. I believe my ability to remain calm and efficient under pressure is a must have asset for this position. I also think that my previous volunteering experience and post working as a corporate relation board member has proven I come up with efficient solutions and innovations.

Sincerely,  
Elise Karlsson Faudot”

## 1.2 Jesper Nielsen, Union Board

”Hi!

I would like to counter candidate for the position as a board member for LUNA.

During the past year I have been more and more involved within the union and become interested in becoming more active and to be able to contribute into making a greater union.

Considering the fact that I have previously been a part of the board of my Table tennis club for two years and the board of Rydbergs pub I think that I have the necessary experience to be able to contribute to the board of LUNA. I have also experience within my student council and the union which I think further qualifies me to be a part of the board.

I am also more than capable to allocate the great amount of time necessary to do an excellent job as a board member.

Should I become part of the board I have some key interests that I would work towards improving. Mainly the health and wellness of the students in the union and making sure all students regardless of background or abilities have equal opportunity to receive the best possible education and to be a part of the union!”

## 1.3 Fanni Végvári, Ballmaster

”Hello,

I would like to counter candidate for the ballmaster position.

I believe that I would be a good candidate because I have the characters that would suit a ballmaster.

This spring I had the privilege to be a marshal on this year’s ball, which gave me an insight in what is required from a ballmaster in order to compose an amazing and well functioning ball.

I also have a very bubbly personality, always happy and optimistic and bring a positive energy wherever I go. In addition to that, I am an excellent planner, love to be in control of things and love to get in contact with other people, which I feel is essential in the making of the ball.

To sum it all up, I believe that if I get to become next year’s ballmaster there will be freakn ballin’ ball!

Best regards,

Fanni Végvári”

## 1.4 Sebastian Pfaff, Ballmaster

” Hej!

Härmed söker jag posten som balmästare. Har lite ont om tid att skriva kandidattext just nu, men jag tycker allmänt om att fixa evenemang och har en del erfarenhet av det i olika sammanhang.”

## 2 Union Committee Chairpersons

### 2.1 Einar Elén, Information Committee Chairperson

”Dearest representatives,

I hereby submit my counter candidature for the position as chairperson for the information committee. The information committee is a vital part of the union and while working as union presidium, I have taken an interest in their work and would love to be able to continue working with the committee.

I have a fair amount of experience with union work and union leadership. In no particular order, I have been chairperson, president, or spokesperson for the gender and equality committee, for GLuFS, and for the union.

Truly sincerely, Einar ”

### 2.2 Jenny Spiik, Gender and Equality Committee Spokesperson

”Hey! My name is Jenny Spiik and I’ve been nominated to sitting at the board for the gender and equality post. I would also like to candidate to the speak person for the JOL-committee. This is my first year at the physics department and I’ve been engaged in Glufs through the IGU. I’m a big advocate of equal rights and believe through information and education ignorance can come to an end which makes the JOL-afton is an excellent way to do so however everything can improve which also goes with the JOL-afton. To make it more appealing to every student on campus so information about equal rights reaches everybody is most important and can be discussed on how to do so.

I hope to hear from you With best regards Jenny Spiik”

### 2.3 Pamela Huskin Okinedo, Sports Committee Chairperson

”Jag skulle vilja motkandidera till Sportkomitee ordförande.

Tack!

Pamela Huskin Okinedo”

## 3 Union Committee Members

### 3.1 Sara Winterfeldt, Party Committee Member

”Hej,

Jag nominerades till sexmästare i LUNA, men valberedningen tappade bort mitt svar så står inte med bland de nominerade, men pratade med dem och skulle skicka in en kandidatur till dig istället. Kan dock inte vara med på RK-mötet den 19/4 så skulle skicka en liten motivering här.

Jag har varit sexmästare i MYS i två år varav huvudsexmästare i ett år och har erfarenhet att ordna allt från sittningar, filmkvällar till pubrundor. Jag har också erfarenhet från kåren då jag varit med i JOL. Jag tror jag skulle göra ett bra jobb som sexmästare i LUNA eftersom jag har erfarenhet från tidigare sexmästeri och är engagerad i det jag gör. Är taggad på att planera massor av roliga events.

Hälsningar

Sara Winterfeldt”

## 5 External Representatives

### 5.1 Elvira Källberg, LUS Elective Ting

” Hello!

I want to counter candidate to the vacant post in LUS elective ting. I have been very Active in the union for two years now, and feel that it would be interesting to gather a greater insight in the work done by LUS. I Think that I would do a great job since I am a structured person who will be prepared for the meetings. The preparations will of course include I make sure that I know which opinions the union has.

Elvira Källberg”

### 5.2 Johan Edlund, LUS Elective Ting

” Hello,

I want to counter candidate against the vacant post (LUS valting), I have been active in the union and in the student life in Lund for four years so I think that I have the experience required for this post. ”

### 5.3 Hanna Thosteman, LUS Nomination Committee

”Dear presidium,

I want to counter candidate the position as LUNA representative in the LUS Nomination Committee, currently put as vacant.

I am currently LUNA’s representative at this position, and it has been (and still is) one of the most rewarding and important posts I have had as a student representative during my four years being active.

I have participated in the nomination process of the LUS presidium elect, and at this very moment we are preparing and interviewing candidates for all other LUS posts. I find this post extremely important for the future quality of LUS Nomination Committee, we need to incorporate the voice of every union in this committee to be able to make qualified decisions for next years elections.

I am also currently a member of the LUNA board, and have been able to manage both posts well. Next year I will mainly work on my master thesis, and I have no doubt I will be able to cope with the workload.

In service, Hanna Thosteman”

### 5.4 Matilda Hildingson, Academic Society (AF) Parliament

”My name is Matilda Hildingsson. I’ve lived in Lund since the fall of 2013, studying environmental science. This fall I’ll be starting of the last year of my masters in environmental management. So, I’ve been in Lund for a while now and I sense that it’s time for me to explore the union side of the student life.

During my time as a student, I’ve spent most of my time in the AF building. Starting of playing theatre and cooking food in Lunds Student theater and later on becoming the foreman of LUST. This past year have I been the operational manager for the whole Academic Society.

I truly love the student life in Lund and I think that the Academic Society is something of the most precious we all have. I am also of the opinion that the unions should be of a bigger interest in the Academic Society. With me in the parliament you’ll get someone that aren’t afraid to ask questions and someone that truly care of the Academic Society.

I am so sorry to announce that I won’t be able to attend the election meeting since I’ll be at a conference in Stockholm regarding sustainability and outdoor life.

Kram!”
